Undergraduate:

A grade point average of 2.00 is required for graduation.

Graduate:

A grade point average of 3.00 is required for graduation. This grade point system became effective in the Fall Semester, 1959.

REPEATED COURSES:

Effective Fall Quarter 1969, when an undergraduate student repeats a course, the grade, honor points and credit hours are eliminated from all earlier attempts and these items are counted only for the most recent attempt provided the student then completes the course with a grade of A, A-, B+, B, B-, C+, C, C-, D+, D, D- or E. For repeated courses taken prior to the Fall Quarter 1969, contact the Registrar's office.

TRANSCRIPTS:

Effective with the Winter Semester 1998, WSU converted to a new student information system and developed a new transcript format. All coursework taken prior to the Winter Semester 1998 will appear on a transcript which is formatted differently.
